

Privacy

Your privacy is important to us. Please take a moment to read through our Privacy Policy that will tell you a bit about how we handle the information you supply and what other information we collect.

General for all information submitted to Eurotech Benelux is that we will never release name or other personal information about a Registered User without the permission of that User. We reserve the right to distribute aggregated demographic information provided by Users.

Information we collect

In the registration process you submit personal data. This is called Personally Identifiable Information, and could be for example your name, telephone number and email address. From time to time in the future we may offer additional information, features, services and opportunities that would require you to submit Personally Identifiable Information to participate.

We also collect what is called Anonymous Information, exemplified by your IP address, the type of browser you use, the pages on our web site(s) that you have visited, and any features or downloads that you have clicked on. WE DO NOT match your Personally Identifiable Information to your Anonymous Information. What you do and where you go is your business only. We use this aggregated information solely to optimize the website based on how our visitors use it.

Cookies

Like many Internet sites, we also use cookies. We do this to better support services for Registered Users and to collect statistics on how our website is used. A cookie is a small data file that we transfer to your computer and is stored on your hard drive. When you visit our web site(s) the cookie identifies your computer to us so that you do not have to re-register each time you visit. We may also use cookies to measure the traffic to our web sites and the use of different services and features of the sites.

Other businesses that are linked to from our web site may also place cookies on your computer and their use of the information stored on those cookies is subject to their own privacy policies. You should visit their sites to learn about their information practices. Other companies, linked to our web site or otherwise, do not have access to Eurotech Benelux cookies.

You can disable cookies in your browser. This might result in loss of some features on www.eurotechbenelux.com, for example logon for registered users. Please consider that other websites that use cookies may not function correctly or perform to their best with cookies turned off.

How to Enable Cookies

To enable cookies, follow the instructions for the browser program and version you are using.

Internet Security

The transmission of information between the Registered User and the Eurotech Benelux website may not be totally secure as this information passes across the Internet. Eurotech Benelux encourages Registered Users to change their passwords frequently.

Communication

Postings and other communications with Eurotech Benelux via our website are not private and may be published and edited at the discretion of Eurotech Benelux unless specifically instructed otherwise.
